

"Cocoon's facilities are designed to grant infants and toddlers from 8 months to 4 years old an exciting and fulfilling array of experiences together with their parents"

For infants 8-24 months old

our equipment focuses at the child's age; from sensory explorations to two-way communication, imaginary play, listening, singing, moving and playing. Your child may engage in activities that help to build its senses as well as social and physical skills, by encouraging discovery

For children 2 to 4 years old

our facilities support the development of their skills and may include storytelling, role playing, singing, dancing and more general play-based activities

Food

may be ordered or chosen from the menu provided in the club and it is included in the daily charge

Nappy and clothing policy:

All nappies, clothes, sun cream and other such items are to be provided by the parent/guardian

Cocoon's supervisors may assist in changing nappies and clothes of infants and toddlers, yet will only do so only in the case of already provided items

*"Cocoon may stretch the **body and mind**, encourage **curiosity** and build **self-confidence** through art, as well as engage in activities that require **cooperation and self-awareness**. In these surroundings, your child may have both independent and group learning experiences as there is a support of love for music through dance and instruments, as well painting, collage, clay sculptures, drawing, role-playing, and much more."*
