NAVARINO BIKE STATION

The exhilarating freedom of two wheels and a saddle...

A bicycle is not only the most convenient way to get around the resort but also the best means to discover the beauty of the Messinian countryside. A leisurely 30-minute ride to Voidokilia, one of the best beaches in the world, is just one of many options.

Our dedicated Bike Station offers a wide range of quality bikes, including IDEAL and Scott brands, which will carry you along idyllic trails in style but are also well equipped to handle the most rugged terrain.

You can rent a top-of-the range Mountain Bike, City Cruiser, E-Bike, as well as fun bikes such as tandems or BMX, and also choose from an extensive selection of accessories and clothing. Equipment especially designed for families includes child bicycles for all ages, kids' seats and trailers.

The Bike Station also serves as an information hub, a place where advice about biking equipment is freely offered, along with tips and recommendations about self-guided tours with GPS devices and tour maps.
